And join us on one of these fabulous expeditions, camping under the stars:

RAFT-CAMPS ON THE VAAL

RIVERMAN is the only outfit on the river that specialises 1 or 2 night camping expeditions. Our campsites are natural, secluded and scenic. You can self-cater or we can do delicious meals for you. We send a full briefing on booking. Best of all, enjoy the environment with sundowners and a braai.

ORANGE RIVER EASTER 2016

We ply the Orange in the middle of the Kalahari Desert, where the river truly deserves the name "Nile of Southern Africa". Naked rocky mountains, abundant birdlife, rapids that begin mild but build up to very exciting, and the best scenic campsites in the world make this a not-to-be missed family and friends experience.
