

# YOUTH PROGRAMME

# ADVENTURE!

## RIVER PROFICIENCY & ADVENTURE LEADERSHIP

TRAINING,  
TALKS, TOURS  
AND COACHING  
TOWARDS  
COPING WITH  
OUTDOOR  
CHALLENGES

THE THREE COMPONENTS OF OUTDOOR KNOW-HOW ARE NATURE, CULTURE AND ADVENTURE. ALL THREE RECEIVE ATTENTION ON OUR COURSES

*Youngsters with a love of the outdoors are inducted into the techniques and ethics of safety, leadership and teamwork. Those wishing to enter careers in outdoor adventure receive a solid grounding.*

The programme of youth camps and workshops runs throughout the year at the Vaal, Tugela and Orange Rivers. All activities are led by experienced mature trainers who are qualified in their fields. Expect to camp out at night and be busy during the days in the mountains, on the river, and in lectures where you will learn the principles of outdoor leadership.

PRIMER WEEKENDS run from Friday night to Sunday evening. They provide a taste of the adventure life and information about where to go from here.

**We take individuals as well as groups. Meals are collectively prepared as part of training. All chores are shared. The full Course Briefing is issued on booking.**

5-DAY WORKSHOPS involve expeditions and where skills and awareness develop "by doing" under mentorship.

NOTES & PROOF OF ATTENDANCE PROVIDED.

ADVENTURE STANDARDS AFRICA is a service provider offering advice, guidance, formal training and assessments for adventure guides in southern Africa. We are based on the Vaal River near Parys but run workshops nationally. Formed in 2008 to meet the need for more and better information about professional leadership in the outdoors, Asafrica has conducted numerous courses and has mentored young and mid-career guides. We are affiliated to the Adventure Qualifications Network and conduct assessments for NQF certification by Cathsseta.
