BIRTHDAY PARTY

FUN AND ADVENTURE FOR THE FAMILY

There's no better way to spend a memorable day with friends and family than to go "messing about in boats" as Ratty said in the Wind in the Willows. Get hold of us to help you plan your event. We can do a **half day rafting with a party back at base**, or a **full day with a delicious picnic lunch on river**. If you want, we can **organise an ice-cream cake** and keep it well frozen even during the river trip. Tell us your ages, how old is the birthday person, how many are coming, and we'll set it all up. And we can make a **video production** to remember it all in years to come! Call or email and we'll get back to you.

EVEN GRANNY!
